Good morning Kath, further to our visit to Cemetary Lodge on Friday, to carry out repairs to guttering as per your photos, plus take down the ivy as shown to approximately half way, the cost would be £220.00.

It was raining when we visited. There is another joint leaking on the front elevation, plus there is quite a lot more ivy that hasn't been shown on your photos (our photo attached) which will also be entering the roof space. If you would like the additional gutter fixing and the extra ivy taking down to half way, this would be an additional £140.00. We are more than happy to arrange a site visit with you if you would like.

Regards
Sue
